

Media Consent Policy

During times within a production, we take photos and film footage (both hereafter referred to as 'footage') during rehearsals and performances, and publish these on social media channels in particular Facebook, YouTube and Twitter, as well as advertising on our posters, flyers, programmes and website. Copy may also be sent to the local press.

By being a member of DMTC and participating in a show, you understand the above and grant permission for this to be done.

You understand that:

- (a) DMTC will process your personal data in accordance with its privacy policy, a copy of which is on our website.
- (b) Where third parties are engaged by DMTC to take the Footage, these third parties will first be required to sign an agreement with DMTC confirming that they will be subject to the same obligations with regards to protection of personal data as set out in this consent form.
- (c) You can object to DMTC using such Footage but you acknowledge that it may not be possible to withdraw such Footage from circulation if it has been published prior to you objecting to its use.
- (d) This consent form and any dispute or claim arising out of or in connection with it shall be governed by and construed in accordance with the law of England and Wales, and that the courts of England and Wales shall have non-exclusive jurisdiction to settle any dispute or claim arising out of or in connection with this consent form.
